

The Bloop

8 0 2

Chapter 1 by Story Wars

Cassie drove over to the beach for a nice swim with her friends, Marlene and Stacy. She unpacked her towel and Beach Ball. Marlene came racing up to her.

"OMG! Cassie! Did you hear?!? They're looking for The Bloop here!" She screeched.

Cassie knew what The Bloop was. She always thought that it was one of those Ice Quakes, but then some news report proved that wrong. Now everyone thought it was a huge Godzilla sized monster.

Cassie made her way through the cloud and looked at the crew. They were telling everyone to get out. She saw why. There was a huge shadow in the water, and it was coming straight towards them.
